L. D. TOWNSEND, superintendent of the mill of the Western Chemicals, Inc., is a visitor to Tonopah from Alum.

**CARD OF THANKS.**  
We wish to express our deep appreciation and gratitude to our many friends for the kind sympathy extended in our recent bereavement. Mr. and Mrs. W. F. Davis, Mr. and Mrs. John Connors, Mr. and Mrs. T. F. Connors.

## ARGENTITE IS NOW PROMISING GREAT RESULTS

Sylvanite Is Name of New Camp Lying Close That Is Being Given Attention.

A new camp that promises to gain in popularity has been named Sylvanite, and most promising mineral showings from surface development are in evidence. The district lies 2 1/2 miles from Argentite, and is in the same mineral belt, only that gold values are inclined to predominate whereas Argentite is confined almost wholly to silver.

D. E. Shively and Robert Neal, both of whom are interested in Argentite, are the men who have discovered that Sylvanite has promising possibilities, and while the exploratory work has been confined to surface, they have succeeded in opening a fissure vein that shows excellent gold values.

As a result of the developments that have been carried forward at Argentite during the past several months, there is quite a stir that is being centered around the two districts, and a camp of stability seems to be in the ascendency. The proving of the Mohawk and Frances properties, through the uncovering of enormous bodies of mill ore, with occasional streaks of unusually high grade ore, has given stimulus to the situation, and a busy season is promised for the summer and fall.

In order that business may not be diverted from Tonopah and Goldfield to other points, those interested in the Argentite district have prevailed upon the commissioners of Esmeralda county to assist in constructing a road from Argentite to Silver Peak. Private assistance is being asked of the business men of both Goldfield and Tonopah, and the cost of construction of the road is not expected to exceed \$3000. This will permit of a saving of 40 miles of travel through reaching the new camp, as the distance from Tonopah will be reduced to 60 miles, whereas it is necessary to travel 100 miles to reach Bishop.

## WESTERN CHEMICALS HEADS VISIT TOWN

W. B. Roberts, manager of the Western Chemicals, Inc., has returned from Los Angeles. En route here he stopped off at Alum to note progress of operations at the alum deposits and big mill. Arrangements have been made to equip the property with electric power and a line is being constructed that will have a length of a mile and a half and which will connect with the Millers transmission line.

## SOLDIER BONUS BILL TO GET RIGHT WAY

(By Associated Press.)  
WASHINGTON, June 16.—A compromise between the republican senators in the controversy over procedure with the soldier bonus bill by which it would be given senate right of way after disposal of the tariff bill was reported virtually reached today.

## EVERY LANGUAGE IS SPOKEN IN BAY CITY

(By Associated Press.)  
SAN FRANCISCO, June 16.—Every language in the world, it is said, is spoken in polyglot San Francisco, but City Treasurer John E. McDougald stands ready to qualify that statement. Every language in the world is spoken here, according to McDougald, except Latvian.  
Recently the treasurer received a letter forwarded by the American consul at Riga, Latvia. No one around the city hall could read Latvian, so McDougald sent the letter to the expert linguists of the University of California at Berkeley. A few days later it was returned with the notation that Latvian was all Greek to the varsity translators.

## ALL WRONG

The Mistake Is Made by Many Tonopah Citizens  
Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.  
A Tonopah resident tells you how.  
Mrs. George H. Coleman, Summit St., says: "I fell and hurt my back and it affected my kidneys. From then on I suffered from awful backaches. I couldn't even bend to sweep or do my work because of the terrible, sharp, darting pains in my back. Everything I tried failed to relieve me. I was lucky enough to read about Doan's Kidney Pills and began using them and Doan's completely and permanently cured me."  
Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coleman had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.

## CHAS. D. KEOUGH IS ASSEMBLY CANDIDATE

The first person to announce his candidacy for assemblyman from Nye county, is none other than Chas. D. Keough, prosperous rancher and stockman. Mr. Keough will enter the race as a republican, subject to the wishes of the voters at the primary election to be held on September 5.

Charles D. Keough is too well known to the people of Nye county to need formal introduction. He is a native son of this county, having been born at Reese river, where he received his early education in the public schools of that district. Later he attended the state university at Reno for several terms, pursuing his studies along technical lines as applied to mining that he might better be qualified to assist in the development of our great mineral resources.

Ranching and stockgrowing has always appealed to Mr. Keough and a few years ago he purchased a tract of land at San Antonio then apparently a desert waste, but under his domineering spirit he has made this seemingly wasteland blossom like the rose. He has developed a water supply through the construction of reservoirs, and at last his plans are under way whereby he will be able in due time to irrigate 1000 acres of land from the overflow water from Peavine creek.

The ranch being operated by Mr. Keough is a veritable garden spot on the desert and he has in bloom 75 acres of the finest looking alfalfa that one could wish to gaze upon.

Charles D. Keough is the son of Mr. and Mrs. George Keough, pioneer residents of Nye county, who will retain their home on their Reese river ranch. He is a brother of Mrs. J. B. Humphrey, wife of the well known cattle man and banker of Reno. Mr. Keough is a man of the highest ideals. He is honest and fair in his dealings with his fellow man, is a friend of the masses, and belongs to no clique. He is a good citizen, believes in honest government, and a stickler for right and justice. If elected to the assembly the voters and taxpayers of Nye county can rest secure in the knowledge that he will ever be found guarding their interests and that southern Nevada will receive its just deserts, and especially so when it comes to apportioning appropriations that may be made by the legislature. The Bonanza believes that Charles D. Keough will make an ideal legislator, and furthermore, believes that he will be nominated and elected.

## ALTO SHOWING MAKES STEADY IMPROVEMENT

The showing at the Alto Divide property continues to make an improvement and it need prove no surprise to learn at any time that shipping ore has been developed. The west drift from the 400 level of the shaft workings was advanced for 26 feet during the week ending Thursday, June 15, and a highly mineralized formation was followed. The heading is now evidently nearing the proven ore zone adjoining the Tonopah Divide holdings, and developments on the Alto are being watched by all who are interested in the Divide district.

## JOHN E. ADICKES IS OUT FOR CONSTABLE

The first avowed candidate for the office of constable for Tonopah township, announced his candidacy this morning in the person of John E. Adickes, whose political card will be found in another column of this paper. Mr. Adickes will enter the republican primaries, and states that he will wage an aggressive campaign from now until the votes are counted on September 5.

Mr. Adickes is an old-time resident of Tonopah, having first located here in 1901. A year later he went to Rhyolite where he remained until 1908 when he returned to Tonopah, this place having been his home ever since. He is a miner by occupation, but for a long time has been engaged in the chicken business on Utah street.

## JOIN MODERN WOODMEN

W. S. Harris, of Battle Mountain, is in Tonopah for the purpose of instituting a camp of the Modern Woodmen of America. Mr. Harris is district deputy for Nevada, and memberships are to be received from Tonopah and the surrounding districts, including Goldfield. Mr. Harris can be found at Hoffman's drug store. The entire cost of joining, including examination, is \$7.25. Insurance carried is paid monthly in small amounts. Miners are admitted to membership up to 50 years. Dr. C. H. Church is examining physician, or Room 1, Greystone hotel. Leave Word at Hoffman's Drug Store

## PERSONAL

MRS. FRANK HENDERSON, accompanied by her daughter, Miss Margaret, left yesterday for Virginia City, where they will visit relatives for some time.

MRS. C. C. CRITTENDEN is over from Goldfield to enjoy a short visit. D. E. SHIVELY, one of the best known prospectors in southern Nevada, left this morning for Argentite, where he has mining interests.

L. L. MUSHETT, local machinery man, accompanied by H. D. Budelman, superintendent of the West End mine, and C. E. Waldner, left this noon for Goldfield to look over a mining property.

J. H. EDGAR, one of the miners who made the sale of the property at Argentite to London capitalists yesterday for \$60,000.00, left for the property last night in a new Dodge Brothers Commercial Screen car which he purchased from the Midland Garage & Machine Works.

MRS. L. D. GRANT, who was called to Douglas, Ariz., several weeks ago by reason of the death of a brother has returned home. She was accompanied by her nephew, Jack Grant, son of Chris Grant, who will remain with his father for some time.

ED KENNEDY, well known Goldfield mining man, left this morning for San Francisco, and before his return he will visit the Hawaiian Islands. Mr. Kennedy's journey is on a business mission and has to do with the financing of a mining property on the edge of Death Valley, not a great distance from Daylight Springs.

## AMUSEMENTS

TOM MIX AT THE BUTLER TODAY

There are a lot of reasons why motion picture fans adore Tom Mix, and "Sky High," which will be at the Butler today, is declared to be the best reason his followers ever had for doing so. "Sky High" shows Mix in the kind of role his devotees like best. He is seen as a government immigration agent, down in Arizona, trying to squelch a band of smugglers who are sneaking Chinese through. And Tom musses up the landscape considerable before he's through with them. The big outstanding stunt is his dash through the Grand Canyon in an airplane and dropping from a rope into the Colorado river. Before that he rides Tony hell-for-leather right around the dizzy rim of the canyon.

"Screen Snapshots" of famous movie stars will be shown.

Tomorrow, Viola Dana in "Glass Houses," a drama of crooks, cooks and woman's looks; and a two-reel comedy, "Crowning Torch."

Monday, "Don't Tell Everything," with Wallace Reid, Gloria Swanson and Elliott Dexter in the leading roles.

## REPUBLICANS AND DEMOCRATS CAN DODGE THE STEAM ROLLER

Dear Mr. Otto Bug:

You will be much pleased with the appearance of the Dodge Brothers' touring car and Roadster since the change in the body design of these cars. Our first shipment is on the way, and due to arrive in Tonopah next week, and we suggest that you drop in and see for yourself what a decided improvement has been made.

Incidentally, if you are planning on buying a new car this summer, it would be a good idea to get in touch with us immediately. There is going to be a tremendous demand for these new cars and you know what that will mean to our delivery schedule.

Yours very truly,

MIDLAND GARAGE & MACHINE WORKS
